

## Local Trainers (m/f/d) for Leadership and Collaboration - APAC -

**We are looking for experienced freelance trainers to join our team for a major international project in several Asian countries (Malaysia, Singapore, Indonesia, Thailand, Japan, Korea, China)**

Who are we?

Nonnast & Kollegen is a personnel and organisational development company based in Regensburg that designs, implements and evaluates modular experts and management development programmes for national and international clients (DAX, MDAX companies and SMEs). With over 70 trainers, consultants and coaches, we are active in more than 40 countries on 5 continents.

What do we offer?

- High planning security
- Usually training work in tandems with experienced trainer colleagues from the project
- Well-founded, varied and interactive training concepts (blended learning formats with face-to-face and online modules)
- Sparring with an internationally experienced team of trainers

What do we expect?

- At least 5 years of professional experience as a freelance trainer in face-to-face and online training in the field of leadership - especially with international target groups
- Training references in the field of leadership in the SME or corporate environment
- At least 3 years of own leadership experience
- Business fluent language skills and experience in conducting training courses in English as well as very good knowledge of the local language
- Centre of life in the region of assignment
